Here what Larry had to say

It is a pleasure reading DyNAMC, the articles are insightful and seeing the vibrant colors and experiencing the interactive features brings the publication to life. There is nothing else like it out there. Bravo.

Having lived through the turbulent 60's and 70's, left a lasting impression on how I view the world, and it's politics, the law issue was thought provoking and a reminder of how far we've come and how far we have to go. The articles featured leaders far and near like Benjamin Crump and Sir Desmond deSilva who work endlessly to make positive change. It's a motivation to know we are not alone in our communities be DyNAMC highlights people across the world making a difference. Very uplifting.

The contest was a welcomed challenge. As a retired NYC police officer, thankfully I can now afford to spend a great deal of my time reading, tweeting and doing crossword puzzles.

Our digital copies of **DyNAMC** magazine are interactive and in the "Law" 2015 edition, we challenged our readers to match the law themed TV theme songs.

Larry was the first to correctly match all 10.

1. Hill Street Blues
2. Miami Vice
3. Iron side
4. Law & Order
5. Boston Legal
6. Hawaii 5 0
7. The People's Court
8. NYPD Blues
9. Starsky & Hutch
10. Magnum P.I.
